ANNUAL PRICE LIST**NEWER GLADS****SPRING 1962****Everett Clark****POQUONOCK, (WINDSOR) CONNECTICUT****FOREWORD**

We are looking forward to another year of service to you. The past growing season was one which saw wonderful top growth, but as a rule, bulbs are not quite as nice and plump as usual. I guess too much energy went into tops. However we do have some very excellent bulbs to offer. Bulbs, which, I am sure, will give you very satisfactory results.

TERMS: Cash, please, with the following extras of your own choosing.

On orders of \$2.00 to \$10.00, you may select 10% in extras, over \$10.00, you may select 15% in extra bulbs. If you purchase large bulbs, only, in lots of 25 or more and will call for them or pay express charges, you may take a cash discount of one fourth instead of extra bulbs. The above extras and discounts do not apply to F. O. B. quotations.

Single bulbs or bulblets at the ten rate, but no single for less than five cents; 25 bulbs or bulblets at the 100 rate; 250 at the 1,000 rate. Prepaid delivery on all orders over \$2.00 — except for F. O. B. prices.

Stock of bulbs for the year 1962 guaranteed the same bright, clean, healthy stock as usual. Gratis bulbs for the names of your "glad-loving" friends.
